Here, the detective in question is Joe Leland, who is trying to juggle marital issues with a murder case that seemed to be open-and-shut at first, but runs much deeper than he could have imagined.The Detective was Sinatra's fourth collaboration with director Douglas, having worked together on Tony Rome (1967), Robin and the 7 Hoods (1964) and some years prior on Young at Heart (1954). Their final film together would be a sequel to Tony Rome, 1968's Lady in Cement.
